In this special one-day version of *Fiamma D'Amore™ Institute & Ministries* transformative retreat, "The Flame," you will strengthen your spiritual center and come into greater understanding of and connection with the "Flame of Love" that is your essence and the essence of all life.

As a rule, we, as human beings, have learned to be insensitive to our hearts and to this vital part of us. We have been closed to its profound blessings. Yet, it is through aligning with the higher, deeper aspects of our beings, with our precious "Flame of Love," that we access the keys to our joy, health, fulfillment and wellbeing.

Our lives steadily and wonderfully begin to change for the positive through conscious, active alignment with the "Flame." We welcome you to:

- Learn more about the "Flame of Love" and how to work with it in dynamic partnership
- Strengthen connection with your heart
- Develop tools for nurturing ongoing spiritual connection
- Heal old wounds
- Release limiting thoughts and behavioral patterns
- Vision and energize your dreams
